Notes:

- 1 The audited financial results for the year ended on 31st March, 2020 have been reviewed by the audit committee and approved and taken on record by the Board of Directors at their meeting held on 30th July 2020
- 2 The format for quarterly results as prescribed in SEBI Circular CIR/CFD/CMD/15/2015 dated 30th November, 2015 has been modified to comply with the requirements of SEBI's circular dated 05th July, 2016 and IND-AS requirements.
- 3 Previous Quarter / Year figures have been regrouped / reclassified wherever necessary to make them comparable.
- 4 The COVID-19 pandemic has disrupted various business operations due to Lockdown and other emergency measures imposed by the governments. The operations of the Company were continued with lower capacity utilization during this period. The company is taking utmost care of its staff and workforce like sanitizing, social distancing, Temperature testing, Immunity boosters for employees, mandatory mask wearing and thermal check at the gate, maintaining proper hygiene. As the Company is in the segment of essential commodities and the demand for edible oil and pulses is hampered to some extent due to continuous lockdown in various cities of Maharashtra, where most of the customers are located. However, given the massive stimulus announced by the government, we are confident that any demand contraction would be of a short term nature and should bounce back quickly.
